A Letter from the Chairman

After 80 years in existence, the North Lancs Time Trial Association came within a whisker of being wound up at an Extraordinary General Meeting in November 2013, but the actions of seven willing volunteers has not only allayed these fears but also set the group in the direction of a long and successful future. The critical factor now is member club involvement.

Personally I wouldn't have got involved if it hadn't been for a straw poll at both my own club and the VTTA's AGM where the unanimous feeling was that the Association should continue, it is now the job of both the newly formed committee and the member clubs, to make sure the future is a successful one.
