

BCW Wednesday Night TT Entry Process

Every paid up BCW Member is added to the Teamer App upon joining the club. Members can opt out of Teamer, but the Club needs to be informed by the member emailing admin@barrowcentralwhs.org.uk.

The Teamer App helps us organise and take payments using the following process. If members want to take part in BCW Time Trials, they need to read and understand the following:

Each Thursday before the next TT a Teamer notification will be sent to ALL REGISTERED Teamer members notifying of them of the 'Race'. In order to 'Race' the invite needs to be 'Accepted'.

On the following Monday at noon, payment requests will be sent out to all members who have 'Accepted' to ride the 'Race'. All payments need to be made by TUESDAY at NOON. This is the final cut off to Accept & Pay.

The start list and start time will be produced Tuesday and publicised via our Facebook group & Teamer Teamtalk notifications.

For course details please refer to our website
<http://www.barrowcentralwhs.org.uk/> under Events/Results - Course details.

Please note that anyone who has paid to ride an event, but then cannot attend, will not receive a refund and their payment cannot be carried forward to another event.

In the event that the TT is cancelled, a full refund will be issued.
